

Cancellation policy for the software „Easy Hot Key“

Right of cancellation

You may revoke your contractual declaration within two weeks without indicating any grounds in text form. The period begins at the earliest with the receipt of the goods and this notification. The timely despatch of the revocation shall be deemed sufficient for compliance with the revocation term. The cancellation return is to be addressed to:

StraightSoft
Inhaber: Dennis Patzer
Josephinenstraße 14
01069 Dresden
Germany

Consequences of cancellation

In the event of a valid cancellation, the payments or goods received by both parties are to be restored. The right of usage of the software will be immediately withdrawn from you.

Special notes

The right of cancellation expires ahead of time if - before the end of the cancellation period StraightSof's services are carried out with the customer's explicit approbation or if the effectuation was initiated by the customer himself (by downloading the full version of the software from the StraightSoft-Server).

End of the cancellation policy
